Why, hello there, dear! My name is Mama Box! And if you're reading this manual, we could really use your help! You see, a not-so-nice group of dream invading creatures known as, well, "The Dream-Vaders" have stolen Kitty Fairy's secret Dream Stone stash one night, and are now using them to enter sweet dreams and turn them into not-so-sweet nightmares. Why, you may ask? It's because the Dream-Vaders' leader; The Nightmare Overlord, needs the power of nightmares to give him power, of course! And if someone doesn't stop him soon, we'll be stuck in our dreams turn nightmares, FOREVER.

Luckily, Kitty Fairy quickly told Pandy Paws that their friends are in a classic case of permanent sleep (and even Pillow Cat doesn't sleep that long!), and I managed to make a walkie talkie to communicate with them, so the duo uses the last Dream Stone they so happen to have to enter Pillow Cat's dream. After waking her up, Pillow Cat, who is NOT a fan of someone (or something) messing with her dreams/sleep, decides to help out our 2 heroes. Armed with the one of a kind "Snooze Staff", and plenty of tools created by me and my Box children, the heroic agency known as S.N.O.O.Z.E. (Superior Nightmares Stopping Organization Of Zany Elite-ness), was born. Their mission? Save the world of dreams! (And luckily, I'm here to help you all along the way. *giggles*)

So get ready, it's time to save the (mid) day, yet again! But first, please allow me to explain what to expect on your journey. Let's begin, shall we?

Agents of S.N.O.O.Z.E.

Pandy Paws, AKA: The Chosen One
After “Takin’ Care” of King Shadowling, our plucky cookie & crème colored feline thought he could go back to his classic sidekick ways. But that was BEFORE the Nightmare Overload took over his friends dreams, turn them into living terrible nightmares! Big mistake there, buddy. Now it’s up to “The Chosen One” to save the Dollhouse World, again!

Kitty Fairy, AKA: Winged Cutie
Don’t let her cute, sugary sweet looks fool you, all it takes is one evil doer with no thoughts but being a big evil meanie to send this nature loving sweetheart in a magic blasting frenzy! With her magical powers and gardening skills on her side, there’s no way “The Winged Cutie” can fail her mission to help save the world of dreams.

Pillow Cat, AKA: Sleepy Prankster
As lazy as she is a true teenager at heart, this wise gal is known for napping, snoozing, sleeping, nodding off, and occasionally pulling pranks on her friends. Even though at first, she’s a bit reluctant to skip her napping to help save the world (again), “The Sleepy Prankster” will NOT stand for anyone or anything getting between her and her sleep! And it that means entering the world of dreams, that’s just fine with her. Besides, who else is gonna give “The Chosen One” and “Winged Cutie” an sass-filled reality check now and then?

Friends

Baby Box, last seen in Crafty Wonderland
My lovely (and favorite) daughter is the glitter to my glue, and no-feline can do crafting like her. Except maybe me and my sons of course!

Mercat, last seen on Glamour Spa Beach
As the brains of the Dollhouse, this brainy yet elegantly sassy genius proves that both girl power and brain power can always triumph over brute force and make you look good while doing it.

Cakey, last seen close to the Ice Cream Trainyard
Need a sweet treat in a jiffy? Cakey's got you covered! This sweet (but sensitive) chef is a world class baker and loves finding a reason to cook up a new recipe, each "Batter" (sorry...) than the last! And THAT is saying something!

DJ Catnip, last seen at the Goove Center Disco Rink
When it comes to dropping the beat, moving and grooving, or just getting funky, this " funkadelic" DJ is the first to answer to call of the party! Whoop, whoop!

More Friends

Carlita, last seen near Rev 'Em Racetrack & Donuts Diner
Pillow Cat's Bestie is prove that opposites really DO "A-Track!" (sorry, again....) Carlita loves being loud, feisty, playing games and racing, while Pillow Cat "Purr-fers" (ok, last one, sorry, I promise....) staying home, reading a good book and napping. Did I mention Carlita & Pillow Cat are grade A+ pranksters, yet? Because they are!

Marty, last seen around The Party King's Castle
A true Party Animal at heart, Marty loves to party nonstop and never shies away from a good time with his friends, especially not with Balloon Monster around!

"The" Catrat, last seen meditating above Ninja Gardens
Don't let his grouchy demeanor fool you, as much as he refuses to admit it THAT easily, the only thing Catrat loves more than shiny stuff, is his roommates. Especially Gabby (like a sister) and Pandy (like a little brother/son). Oh! And he's masterfully skilled in the feline master arts of Cat-Fu. Hi-Yah!

Gabby, last seen not far from Friendship Meadows
Gabby is everything we wish all humans were: kind, helpful, caring and never afraid to try something new. Yep, Gabby is DEFINITELY the bee's knees, alright!

Dream-Vaders

Alone, they might not be the most dangerously vile creatures in the dream world, but together? Better look out! The Nightmare Overlord's loyal servants are huge fans of biting, destruction, eating metal and dancing. And they even come in different forms, just to cause more senseless mayhem! But don't worry, I'm sure the Dreamy Gadgets me & my box children made for our friends will keep those not so nice creatures at bay.

The Sinister Seven

Not much is known about them, but they are the most meanest, vilest and naughtiest Dream-Dwellers ever to sent foot in the entire Dream World! So you better watch your back and stay sharp, because once they notice you gumming up their glorious leader's nefarious plot, they'll do ANYTHING they can to slow you and your team down!

Collectibles

Kitty Coins

How ever did those Kitty Coins get inside your friends dreams? Well, the good news is that you can grab them around breakables, plant life, secret areas & even by "disciplining" the Dream-Vaders! You can use them to buy upgrades for your Dream Tools, or costumes for our 3 heroes. But please be warned! You might even have to pay in the Dream World to enter somewhere or get to something.

(300 = 1-Up)

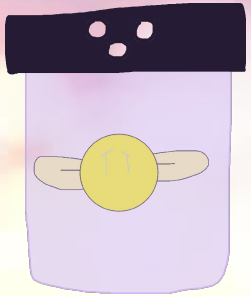
Dream Gadget Ammo Box

Running low on Ammo for your S.N.O.O.Z.E. approved Dream Gadgets? Just break open this "Dollhouse Delivery", then load up, so you can stay ahead of the game, a little while longer.

Health Plants

The Snooze Pixies grew these around the Dream World to
aid you in your quest. Eat the fruit at the top to regain
Some energy back to keep your team going.

Trapped Snooze Pixies



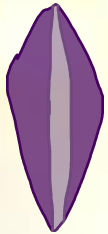
Oh dear! These poor little darlings have been trapped in really strong jars by those naughty Dream-Vaders fellas, so they can't ruin the Nightmare Overlord's plan. Looks like you better recuse them to truly save the Dream World, and who knows! Maybe if you save enough of them, you might even get a special prize for it!

(Normal Levels - 5 to recuse
Chase/Running Levels - 3 to recuse
Boss battle - 1 to recuse)

Dream Stones

All 150 of Kitty Fairy's Dream Stones have been scattered all over the Dream World, and you have one of the most fun jobs around: searching high and low for them! So you might want to keep more then an eye out for them, dear!

(How to earn them:
-Recuse to all the Snooze Pixies in a level
-Don't get hit during a Chase/Running Level
Defeat a boss
Win a challenge Time round
Find a hidden one
Complete a level



Nightmare Crystal

Some of the Nightmare Overlord's Nightmare Crystals have been scattered around your friends dreams to increase the evil "nightmarey" power of the The Sinister Seven to keep them in a permanent deep nightmarish sleep **forever**. So whatever you do, PLEASE make sure smash it up at the end of a level to not only turn it into a Dream Stone, but also slowly but surely turn your friends' scary nightmares back into a pleasant (and NOT scary at all) dream.

Worlds

Pickle Paradise (Pandy's Dream)

After saving the Dollhouse World, Team Pandy are on retirement on a Pickle shaped island with a water slide, a juice bar, unlimited coconuts and pineapples, and even a spa area. Surely nothing could ruin this retirement par-tay! Right?

Slumber Hills (Pillow Cat's Dream)

The Snooze Pixies' home has been taken over by the Nightmare Overlord's loyal minions, but don't worry, I'm sure you can convince Pillow Cat to help you and join our team. You might even meet the Emperor of the Snooze Pixies!

Crafty Wonderland (Baby Box's Dream)

My wonderful daughter, Baby Box is dreaming of a world where EVERYTHING is made of crafting materials and the sky is actually shiny light blue foil. Too bad that Smash-sha is too busy living up to his name by ruining it! Please, you must stop him!

Glamour Spa Beach (Mercat's Dream)

The Ice cold Chilli-bro is freezing Mercat's fancy Spa science themed underwater spa/beach party into a frozen winter wonderland, literally! But, hey! Maybe you could warm thing up a little bit.

Ice Cream Trainyard (Cakey's Dream)

Who knew that Cakey was such a big fan of trains? Especially one made entirely out of desserts?! (Sugar free of course.) Welp, anyhow, you better stop Cal-A.T the Mighty from robbing the train, or Dream train conductor Cakey's fun literally goes off the rails! (No pun intended.)

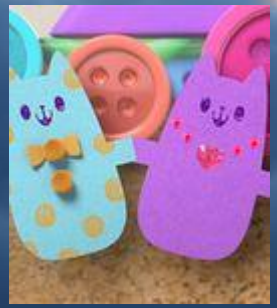
Worlds Continued

Goove Center Disco Rink (DJ Catnip's Dream)

DJ Snarl has crashed the party and is dropping his sick mind control beats that are quite hypnotic towards the Kitty Hamsters listening! So, you think you can get down and help our favorite DJ (Catnip) out of this funky jam, please? (No, Baby Box, not THAT kind of jam...

Rev 'Em Racetrack & Donuts Diner (Carilta's Dream)

Carlita loves racing and donuts as much as the next talking cat/car hybrid, and biting stuff, too! So you can imagine how much she needs your help right now after being challenged by Speedy Dream-Wrecker to a race, or risk losing ownership of her dream! But something tells me that one of the Sinister Seven members might be behind this...



The Party King's Castle (Marty's Dream)

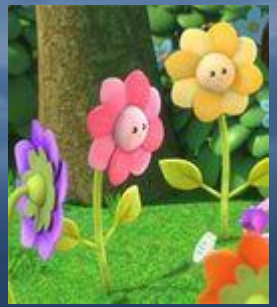
The hot headed Heat-Gloop had stormed Marty the Dream Party King's Castle to turned it into Mamga Castle, how mean! But the good news is that if you help Dream Party King Marty get his castle back, he might return the favor just for you!

Ninja Gardens (Catrat's Dream)

Cat-Fu Master, Dream sensei Catrat, could really use some help fending off Minddy (with 2 D's) before she takes over the Ninja Garden. But when this is all over, I'm sure Dream sensei Catrat might tell every-kitty that HE helped YOU, but that's just how he is, y'know.

Friendship Meadows (Gabby's Dream)

Dorkzer and the Doom Bloomers are really making a mess out of Gabby's normal peaceful dream, and turning it into a circus, and NOT in a good way! It's please watch out for flying pies, rubber chickens and over annoying gags even Pillow Cat finds UNfunny.



Castle Dè Nightmare

After being banished here, the evil Nightmare Overlord has been planning to escape from his nice looking evil liar for, like, so many, many, many, many, MANY years now. And if you don't figure out a way to defeat him, we many NEVER be able to enjoy the daylight ever again! And I'm sure you don't want the same, so make sure your S.N.O.O.Z.E. equipment in fully upgraded if you can!

New Bloom City (Kitty Fairy's Dream)

Uh-oh! Kitty Fairy's been put in a deep sleep by the Nightmare Overlord's loyal henchman/servent, Croaklee the Frog-Toad! I think you better head inside of you little pink friend's dream and fast, please!
